

# SPONSORSHIP OPPORTUNITIES

**Unmasking the Truth** is NightShift's annual sold out event that brings awareness and hope to 300 women on topics that are often left buried. This year, on Monday, March 27, our dynamic women's panel will share their experience and victory while hitting the metaphorical "glass ceiling" as they moved towards positions of authority and influence.

As a leader, you already understand that women are among society's greatest influencers – from our closest circle of friends, to our families, neighbourhoods, communities, small businesses and corporations.

This is your chance to become a sponsor and influence women from all walks of life, who in turn will influence others.
