Dear Local Business:

You can help build a healthy community “From the Ground Up”.

For 19 years, NightShift Street Ministries has been committed to sharing love, hope and purpose with people experiencing some of life’s most difficult circumstances: homelessness, poverty, addiction and mental illness.

NightShift reaches out with a hot meal to people in need on the street 365 nights a year. We serve over 40,000 nutritious meals annually, along with clothing, nursing care, counselling, resource workers, access to recovery, a drop-in center, and more.

We do this with the help of volunteers, donors and thoughtful local businesses like yours!

NightShift is currently organizing our 17th Annual Fundraising Evening and auction, themed “From the Ground Up.” This event supports ground-level care that helps vulnerable people in Surrey and Langley.

Will you donate an item, experience, or service to our live or online auction? Countless people will participate in the online auction throughout the week leading up to our fundraiser, and about 200 local people will bid on live auction items at the event.

Your contribution supports people in need on a street level as we work together towards building healthy community, restoring hope, dignity, health and safety.

Donors will be listed in both our online and live auctions. The auction will be promoted on our social media channels and email campaigns. We know your business will be blessed by the attention of generous online viewers and in-person participants!

- A short form for your auction donation is attached that references how we issue tax receipts. Simply fill it out and email it to info@nightshiftministries.org and we will handle the rest.
- Alternatively, you can use the online form on our website at www.nightshiftministries.org/gala
- Or call us at 604-953-1114 if you have any questions.

We truly appreciate your support, and commitment to community care.

Gratefully,

MaryAnne Connor
