LOVE · HOPE · PURPOSE

YEARS

Dear Local Business,

**NightShift Street Ministries has a request for your local business. Please consider supporting outreach and services to people experiencing homelessness, poverty, addiction and mental illness by donating an item or service to our annual fundraising gala, "An Evening With NightShift", on October 25, 2024 at Newlands Golf and Country Club.**

By partnering with NightShift Street Ministries in this way, you are: supporting healthy community for vulnerable people; putting your products or services in front of over 200 in-person gala guests, and countless online participants; an integral part of raising funds for NightShift's outreach and services.

**After two decades of ministry, this year NightShift is celebrating "THE BIG 2-0", and with that comes planning for the future of caring for people in need.**

NightShift is committed to sharing love, hope and purpose with people on the street, experiencing some of life's most difficult circumstances. NightShift serves a hot meal to people in need in our community 365 nights a year in Surrey, and four nights a week in Langley. Last year, we provided over 40,000 nutritious meals, as well as clothing, blankets, nursing, counselling, resource workers, a drop-in centre, access to recovery, and more. All of this is possible with the generous support of people like you.

The funds raised at our gala will go towards expanding our existing space in Surrey to help more people in need find a path forward.
