

We need your help

NightShift Street Ministries provides a nourishing meal for about 100 homeless and at-risk people every night of the year in Surrey, and about 60 people 4 nights a week in Langley. That's about 49,000 meals a year! We need your help to serve thousands more meals this year. Would you partner with us by adding a few specific items to your grocery list to feed those who need it most? We will also gratefully accept basic clothing, new or gently used, and blankets.

At NightShift, we are "more than soup". Our nightly nutritious meals are the starting point for compassionate connection and building healthy relationships with those struggling with homelessness, poverty, addiction, mental illness and complex trauma.

Thank you for joining us in delivering a hot meal, along with love, hope and purpose to our friends on the street. Your generosity helps change lives.

Outreach services is a core part of NightShift Street Ministries.

NIGHTSHIFT
